Dear Parents/Guardians,

Welcome to the 2021-2022 school year! I want to introduce myself and say hello as our school year gets underway. My name is Mrs. Wilkins. As some of you may know, I have been a third-grade teacher at Mason for twenty-eight years. This year my position has changed to Resource Room teacher/Inclusion Specialist. I'm so excited about my new role where learning experiences are built on cooperative effort amongst parent, child, and teacher. In an inclusive setting/pull-out, I will be working closely together with the classroom teacher on IEP goals and various other grade level curriculum material. Student work will be modified, and accommodations will be made in their general education classroom in order to meet your child's individual needs.

**About Me:**

I am married to a wonderful husband named Mr. Mike, we have a daughter Madison who is in the 11th grade. My son Alex is in 10th and the youngest, Mikey, who is in 6th grade. They take up **most** of my free time which I enjoy spending with my family. I've lived in Milton most of my life. I graduated with a master's degree (special education) from Bridgewater State University in 2004. I am an **only child** and am very close to my parents; in fact they live right around the corner from me.

**Teaching** is an absolute passion of mine! I'm so excited to work with your **child!** It's going to be a year full of fun, **learning**, and lots of adventures, and I can't wait to see what the year has in store for us! Together, I know we will have a positive and fulfilling school year. I have high expectations for your child and will do all that I can to help your child achieve those expectations. If you need to contact me, please feel free to call me at 617-635-8405 or e-mail me at [manderson@bostonpublicschools.org](mailto:manderson@bostonpublicschools.org). I welcome your input, comments and suggestions throughout the year.

Sincerely,

Michelle Anderson-Wilkins  
Resource Room/Inclusion Specialist
